

The background of the slide features a large, light blue octagonal shape containing a white ship's wheel, which is the logo for Kubernetes. Overlaid on this is a dark blue horizontal bar.

Kubernetes CronJob Controller

avengeHERs

27th June 2024

Here's the team!

- Meghna Mandawra
- Srishti Dutta
- Khushi S.

PROGRESS

- Completed setup of Kind and Kubebuilder, essential tools for Kubernetes development.
- Conducted thorough review of Kubernetes and Go programming language documentation.
- Acquired foundational knowledge of Go language, focusing on its application in Kubernetes development.
- Progressed in understanding Kubernetes fundamentals and service behaviors, crucial for designing and implementing our controller.
- Next steps involve coding to connect APIs with our system, initiating the main phase of our controller development.
